

Brookside Lacrosse Family and Friends,

Since 2008 Brookside Lacrosse has been providing a top-level program for boys and girls in the Kansas City, Missouri Area. Brookside Lacrosse's mission is to provide all boys and girls, the opportunity to play and learn the game of lacrosse. We look to sponsors to offer the necessary financial support to avoid the cost of equipment from being the sole reason that keeps boys and girls from playing the game!

A starter pack for boys costs \$300 and includes a helmet, shoulder pads, elbow pads, gloves, stick, and mouth guard. For girls, the cost is \$100 and it includes a stick, goggles, and a mouth guard. The overall cost of equipment is the #1 factor that boys and girls shy away from the sport of lacrosse.

Our website, database, social media platforms, and game days attract countless consumers, allowing all Ad's to be placed in high trafficked areas! Your tax-deductible contribution will help fund equipment for our Brookside youth boys and girls to experience the game of lacrosse.
